

Parallels and Convergences: Mormon Thought and Engineering Vision

**GOD, THE PERFECT ENGINEER**

Allen W. Leigh

MSEE , MSCIS Utah State University, Boston University  
Electrical/Software Engineer and Adjunct Instructor, Retired  
9875 Memorial Drive, South Jordan, Utah 84095  
801-253-3352, allen@bergstedt.org

I just learned that the talks from the Parallels and Convergences: Mormon Thought and Engineering Vision conference will be published in book form, and at the request of the publisher, I've removed the online copy of my talk.
